MAINTENANCE LOGBOOK FOR CHURCH GUTTERING, GULLIES and DOWN PIPES

DATE OF INSPECTION	INSPECTOR	COMMENTS	DATE OF NEXT INSPECTION
4/10/2020	Ray Knight and Paul Redman	Due to the amount of trees around the church, the gullies and guttering are prone to collecting leaves.	November 2021
10/10/2023	Paul Redman	All ground level drainage checked and clear. High level and roof areas will need professional assistance.	November 2024
16/11/2024	Paul Redman	All ground level drainage traps clear around the buildings. Surface water off driveway against the bank and in front of the garage are blocked.	November 2025

Report compiled by Ray Knight on 4/10/2020
